ABOUT ME:

Chris Johnson (C) is an illustrator and animator living and working in the musical city of Nashville. He attended Ringling School of Art and Design where he studied illustration, and Middle Tennessee State University where he got a degree in animation and design. His muses are his beautiful wife Damiana, Yuri Norstein, John Kricfalusi, John Howe, Ub Iwerks, Poe, Milt Kahl, Android Jones, Kid Robot, and so many other artists, animators & musicians. Chris is currently in production of a short film entitled the "Slithery Dee ©", a stop motion animated short film. He has credits working for clients including Sesame Street and Nintendo.
